Product Specification Sheet

Global Executive Roller

Part #: TER004EU

Product Description:

This vertical roller case is perfect for the travelling professional. The roller is designed to fit notebooks with up to 15.4” screens. The Global Executive series feature both Targus SafePort® Sling protection and the Dome Protection System for maximum notebook security. This case is also constructed with durable 2520D and 840D ballistic nylon fabrics to ensure the roller withstands wear and tear while traveling. Top loading notebook compartments and a full workstation compartment make it easy to work on the go. The roller is equipped with a retractable blue light, removable 6-disk CD, retractable passport holder and ID holder for added convenience. It also includes an umbrella pocket, 3 removable accessories pouches, hide-away water bottle and removable slipcase to ensure you can store all your office essentials as you travel. A large nyflex lined compartment is also included to accommodate a second notebook or projector, or all the required clothing and toiletries a business traveller would need for their trip.
